Bus Passes

If a member lives within $\frac{3}{4}$ mile of a bus stop and is going to a destination within $\frac{3}{4}$ mile of a bus stop, and may safely ride a bus, they may be given a day pass to get to and from their appointment. If a member has recurring appointments, then they may qualify for a monthly bus pass. This can be used for their appointments or any other trips they want to make while the pass is still good.

Mileage Reimbursement

If a member gets a ride with a friend or family member that does not live in the same home with him/her, then the friend can submit paperwork to receive reimbursement of .45 cents (or more!) per mile.

For more information on either of the above services or to arrange door to door service, members or providers may call **1-866-294-6611 to set up reservations** for a ride. If the member is awaiting their ride and the ride is late, they are urged to call reservations at **1-866-294-6611** or FCA Member Services at **1-866-270-2422** . FCA Transportation Vendor will assist by finding the driver and/or sending an alternate driver, if necessary.
