## A Formula For Success!

Good health starts  
with regular  
check-ups.

Shouldn't your child  
have a Child Health  
Check-Up?

Florida Agency for Health Care Administration  
Child Health Check-Up previously known as Early and Periodic Screening, Diagnosis and Treatment (EPSDT), a benefit of Medicaid and MediKids.  
Visit AHCA Online at <http://ahca.myflorida.com/>

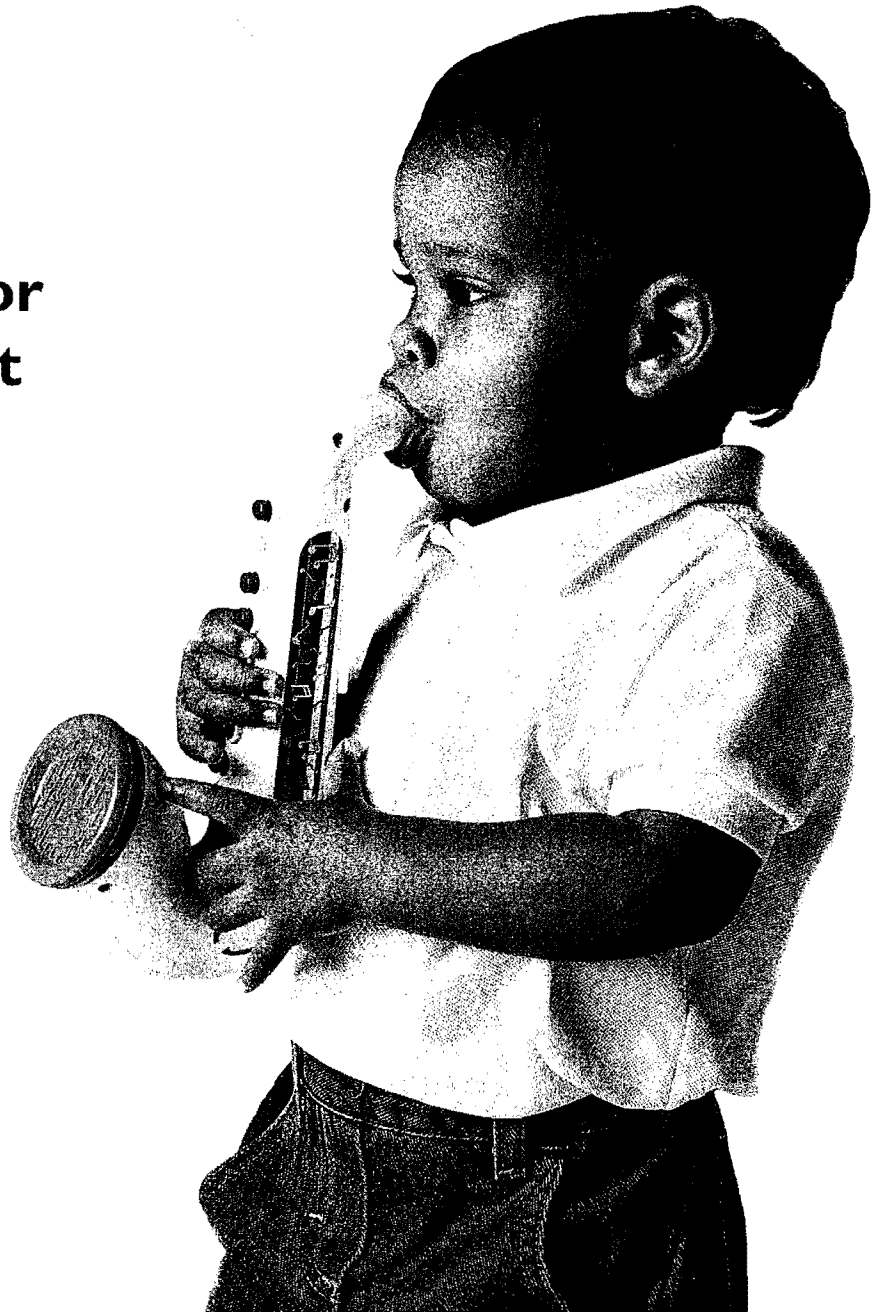

AHCA

Has your child been tested for

# LEAD POISONING?

**CALL**  
your child's Doctor  
about a blood test  
to check for  
lead poisoning.

**FLORIDA**  
**MEDICAID**  
CHILD HEALTH CHECK-UP

**Child Health Check-Up: A Formula for Success**

# ¿Ha sido su hijo examinado para **INTOXICACIÓN CON PLOMO?**

**PREGUNTE**  
al doctor de su hijo  
sobre análisis de sangre  
para chequear  
intoxicación con plomo.

**Chequeo de salud para niños: una fórmula para el éxito**

# Got Teeth?

**Regular check-ups by a  
dentist are important to your  
child's good health.**

## AHCA HAS SET OUR GOAL AT THE 75TH PERCENTILE FOR ALL PERFORMANCE MEASURES

| KEY MEASURES                                      | CURRENT PERFORMANCE | SCORING CRITERIA (PERCENTILE RANKING) |        |        |        |        |
|---|---------------------|---------------------------------------|--------|--------|--------|--------|
|   |                     | 90th                                  | 75th   | 50th   | 25th   | Goal   |
| Cervical Cancer Screening (CCS)                   | 28.92%              | 77.40%                                | 72%    | 66.50% | 60.20% |        |
| Well Child Visits - 15 Months of Life - 6 visits  | 10.34%              | 75.20%                                | 64.40% | 56.6%  | 46.60% |        |
| Well Child Visits, 3rd, 4th, 5th, 6th Years (W34) | 54.99%              | 79.90%                                | 74.90% | 67.50% | 62.70% |        |
| Adolescent Well Care Visits (AWC)                 | 37.96%              | 58.90%                                | 51.40% | 42.10% | 35.30% | 31.30% |
